Subject: Relaunch letter sent to June Anthony

Dear June,

Regarding the arrangements made for our Region Relaunch meeting, in Syracuse NY:

Everything was great and we would consider having another meeting at that hotel.

I do have a suggestion:

- Advise Region on arrangements we have to handle.

i.e.: Name tags ---- we did not have any but if we had known that we were to handle, we would have.

Thanks for all your help,
Bill Roth
